

Hair Transplant Pioneer/Expert

Robert M. Bernstein, M.D., F.A.A.D.

Dr. Robert Bernstein is Clinical Professor of Dermatology at the College of Physicians and Surgeons of Columbia University in New York. He is recognized worldwide for his pioneering work in Follicular Unit Hair Transplantation and Follicular Unit Extraction. His hair restoration centers in Manhattan and Fort Lee, N.J., are devoted to the treatment of hair loss using these state-of-the-art hair transplant techniques.

Dr. Bernstein is the recipient of the “Platinum Follicle Award” for “Outstanding Achievement” in scientific and clinical research in surgical hair restoration. This is the highest honor awarded to a hair transplant surgeon by the International Society of Hair Restoration Surgery.

Chosen as one of “America’s Top Doctors” by Castle Connolly Medical and *New York Magazine’s* “The Best Doctors in New York” from 2000 through 2007, Dr. Bernstein has also been selected to be among *New York Magazine’s* “Best Beauty Docs in New York” for his pioneering work in Follicular Unit Transplantation and Follicular Unit Extraction. His contributions to the field of hair transplantation and devotion to patient care have earned him the honor of “Pioneer of the Month” and “Surgeon of the Month” in Hair Transplant Forum International. He has appeared on Good Morning America, The Today Show and The Discovery Channel and has been featured on The Early Show, CBS News,

Fox News and National Public Radio and in *GO Magazine*, *Men’s Health* and *Vogue*.

Dr. Bernstein’s also writes a hair transplant blog -- www.bernsteinmedical.com/hairtransplantblog. It is visited by thousands of users each week who get answers to their most pressing questions on surgical hair restoration
