

# MICHAEL LEVINE IS AMERICA'S LEADING MEDIA EXPERT

Michael Levine is regarded by the national media as America's Leading Media Expert, appearing on virtually every major national TV and radio show as a contributing media expert for the past four decades.

Levine is the author of 19 books, including 5 international best-sellers. He has delivered career development presentations at both Oxford and Harvard universities. Levine hosts "Without Notes," the acclaimed YouTube and Podcast show that aims to provide viewers with unique insights and behind-the-scenes stories that shape our world.

Levine has provided counsel to \*\*61 New York Times best-sellers, \*\*58 Academy Award Winners, \*\*36 Grammy Award Winners, including Michael Jackson, Barbra Streisand, and George Carlin, among many others. Levine provided non-paid media counsel to 3 U.S. Presidents (both political parties). Levine has lectured for Bill Gates' leadership team and has provided commentary for numerous publications including The New York Times, USA Today, Forbes, Variety, Fox News, Good Morning America, and, most recently, The Globe, for which he provides commentary on the Royal Family.

Levine is a frequent lecturer at businesses, charity events, universities, and other professional development forums.
